Dear Mr Mitchell

Mitchell & Mitchell

We confirm that we act for Ms Sarah Mitchell in her family law matter.

We are writing to you directly in circumstances where we are instructed that you have yet to retain legal representation. In the event that you have retained legal representation, please provide a copy of this correspondence to them. Should you not have legal representation and would like to obtain someone, we invite you to access the Law Society of NSW website <https://findalawyer.lawfullyexplained.com.au/>

We are instructed that yourself and our client have separated on a final basis.

Our client's priority is to minimise any disruption to the children and wishes to enter into discussions about formalising the current parenting arrangements. It is our client's desire to do so in a collaborative and child focused manner. In that regard, we are instructed to propose the attendance at a Family Dispute Resolution Conference.

We otherwise hold instructions to propose that yourself and client enter into a Joint Divorce Application.

We look forward to your prompt response.

Yours faithfully
