Response — agreed background facts

Date 19 June 2026

Our client agrees with each of the six matters set out in your letter of 12 June 2026, namely: the commencement of cohabitation on 4 March 2012; that the parties never married and there has been no divorce; the registration of the relationship on 19 September 2014; final separation on 27 November 2025; the identity and dates of birth of the three children; and that both parties have at all times been ordinarily resident in Victoria.

Our client further agrees that he made contributions in Victoria throughout the relationship and that your client did likewise.

Our client does not agree with your client's proposed division of the property.
