Clause 18 Overtime

18.1 Overtime is all time worked beyond the ordinary hours in clause 14 or outside the span of hours.

18.2 Overtime is paid at the following rates:

Time worked	Rate of pay
Monday to Friday, first 2 hours of overtime	150% (time and a half)
Monday to Friday, after the first 2 hours	200% (double time)
Saturday	200% (double time)
Sunday	200% (double time)
Public holidays	250% (double time and a half)

18.3 Overtime rates are calculated on the employee's ordinary hourly rate in Schedule A, or the contract rate if higher.

18.4 Overtime must be paid at the rates in clause 18.2. Overtime must not be paid at the single ordinary rate, and the rates in clause 18.2 are not absorbed into or included in the base rate.

18.5 Time off instead of overtime may be taken only by written agreement between the employer and the individual employee.

Clause 19 Shift loadings

An afternoon shift loading of 15% and a night shift loading of 25% apply to ordinary hours worked outside the span of hours.

Clause 22 Annual leave

22.1 A full-time employee is entitled to four weeks of paid annual leave for each year of service.

22.2 Annual leave loading of 17.5% of the employee's ordinary hourly rate is payable on every hour of annual leave taken. The loading is payable in the same pay period in which the leave is taken.

22.3 Annual leave accrued and not taken is paid out when employment ends.
