Dear Marisol

Amended show-cause letter

This letter replaces our letter of 20 April 2026 as to Allegation 1. Allegation 2 is unchanged. Harbourline is investigating two allegations of misconduct and invites you to show cause in writing why disciplinary action, which may include termination of your employment, should not be taken.

Allegation 1 (amended)

On 14 April 2026 you released consignment HF-88213 with an incorrect weight declaration of 18.4 tonnes, the actual weight being 21.9 tonnes.

The earlier allegation that consignment HF-88213 was dispatched late is withdrawn.

Allegation 2 (unchanged)

On 8 April 2026 you failed to attend the mandatory weekly toolbox meeting.
