Dear Marisol

Corrected termination letter

We refer to our letter of 5 May 2026. That letter said your employment was terminated with effect from 5 May 2026. That statement is corrected. Harbourline treats your employment as having ended on 12 May 2026, being the date on which the dismissal takes effect. The earlier termination date of 5 May 2026 is superseded.

Reasons for termination

The reasons for termination in our letter of 5 May 2026 are unchanged. They are: "serious misconduct, namely: knowingly releasing consignment HF-88213 with an incorrect weight declaration of 18.4 tonnes when the actual weight was 21.9 tonnes, and failing to attend the mandatory toolbox meeting on 8 April 2026".

Pay to the corrected date

Because you were suspended on full pay and have provided medical certificates, Harbourline will pay your ordinary wages for 6 May to 12 May 2026, being 38 ordinary hours at $46.20 per hour, which is $1,755.60 gross. This will be paid on the next pay run. All other terms of our letter of 5 May 2026 remain as stated.

Your rights

If you believe the dismissal was unfair you may apply to the Fair Work Commission. Time limits apply and run from the date the dismissal takes effect.

Yours sincerely

Priya Venkataraman
