Splitting. A Superannuation Information Form (Part 1) was lodged with BuildersUnion Super on 11 August 2026. The trustee replied on 18 August 2026 that the whole of the interest is available to be split, that a splitting order must name the amount in dollars, and that it requires 28 days after receiving sealed orders to implement a split. The trustee confirmed Mr Nguyen's interest is a defined accumulation interest with no insurance restriction.

Southern Cross Super confirmed that it will accept a rollover of a split amount into Ms Okafor's existing account and that no new account is needed.

Note: neither party has made a binding financial agreement dealing with superannuation.
