Health Examination Outcome Notice

Date: 14 November 2024
Application ID (TRN): EGO0482915
HAP ID: HAP7740125

Dear Mr Tanaka,

We write about the health examinations you undertook for your Partner visa application.

Examination attended
Date attended: 5 November 2024
Clinic: Sydney City Medical Examinations
Examinations completed: medical examination, chest x-ray and HIV test

Outcome
Your health examination results were assessed and finalised on 12 November 2024. The Department has determined that you meet the health requirement for the visa you applied for. No further health examinations or documents are required at this time.

Validity
The health clearance is generally valid for 12 months from the date of the examination. If your application is still under assessment after that date, the Department may ask you to undergo further examinations. If so, you will receive a new referral with a new HAP ID.

Your agent, Priya Raman, has been advised of this outcome.

If your health or that of a member of your family unit changes materially before a decision is made, you must tell the Department immediately.
