Visa applied for: Partner (Temporary) subclass 820 and Partner (Residence) subclass 801
Date of application: 14 October 2024
Passport number: TR9004172
Date of decision: 11 September 2025

Decision
Your application for the Partner (Temporary) visa subclass 820 has been REFUSED. As the subclass 820 application was refused, the subclass 801 application cannot be granted.

Reasons for decision
The delegate considered the application, the s56 response lodged on 8 January 2025, two statutory declarations from the parties, two Form 888 declarations and the relationship evidence provided. The delegate found:
- The Department is not satisfied that the relationship is genuine and continuing because the evidence of shared financial commitments before 1 February 2023 is limited and the statements of the applicant and the sponsor differ about when they began living together.
- The applicant stated they began living together on 1 December 2022, and the sponsor stated that they began living together in late January 2023.
- The joint bank account was opened on 6 February 2023, after the period in question.
